A CELEBRATION TO OUR INDEPENDENCE

As the time approaches us, we are excited to celebrate our 233rd year of independence from the Kingdom of Great Britain in July, 1776. We are tempted to celebrate with fireworks; however, we need to take in the consideration of our fellow campers and association members. As its Iowa's Law, fireworks are not permitted in the park and are illegal in the state.

Our celebrations are not limited due to state law. We can celebrate using our bonfires,

good stories, parades, games, and so forth to celebrate our liberty and freedom. With these considerations of our neighbors and friends, we will have a happy and safe Fourth of July!

Start off your independent day with a pancake breakfast. The breakfast pops off at 7:00 a.m. and ends with a bang at 10:00 a.m.

Later that day at 12:00 p.m. sign-in for the Horseshoe Tournament and start throwing those ringers at 1:00 p.m.

Let's decorate your cart, dress in your

patriotic attire and join in on the parade. Show your pride at 3:00 p.m. There will be cash prizes for 1st, 2nd, and 3rd place. Watch for July's newsletter for winners and pictures from the festivities throughout the day.

During our celebrations, throughout the day, let's not forget to take a moment to remember all those who have sacrificed so much to give us the liberty and freedom we all enjoy today.

With help of our neighbors; Potential Tragedy averted!

Late night one Saturday, not too long ago, a neighbor in Block 8 had heard something out of the ordinary. There seemed to be an alarm going off for quite some time. With concern they had rushed to locate the head of security. Upon their arrival, an alarm was audible, but there seemed to be no incli-

nation that anything was real serious. Thank fully, the owner's of the camper in question, had ensured that all of their contact information was up to date. Because of this, they were able to be alerted of the situation and preceded to the campground, only to find a defective smoke alarm.

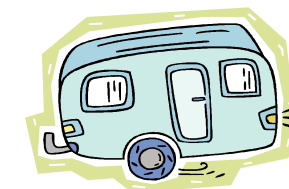

This is a perfect example of how association should look out for one another.

Please take a moment to update your contact information. We would like for you to know if there is potential emergency with your camper.

Featured Campers of the Month!

As we strive to recognize the next *Camper of the Month*, we concluded that all of us are the *Camper of the Month!* If it were not for any one of us, we would not exist as an association of a recreational camp ground. Where we gather on our time off to enjoy the finer things of life, and to relieve the stress from life.

Here's to our neighbors, friends, family, and fellow association member;

Congratulations! It's nice to have you here with me.

Letter from John Adams to wife Abigail, prior to the Declaration of Independence.

"The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more."

Association Meeting Minutes:

Special Note:

After the Association meeting on Sunday, June 14th, 2009, many association members have brought a matter before the board. The matter in question: An apparent video taping of the meeting was done by a fellow association member or members. This event was done without the knowledge or consent of the Board or the association itself. As the board can not prove or disprove this rumor, we make it evident that recordings of this nature are not acceptable!

Board members present:

- President - Kevin Rutherford
- Vice President - Steve P. McQuinn Jr.
- Vice President - Ed Cox
- Secretary - Jeanne Andrews
- Treasurer - Mary Francis
- Joni Kelso
- Dean Garnett
- Maralene Klein

Board members absent:

- Dean Ellison - Excused

84 members present

Meeting was called to order by President Kevin Rutherford at 11:33 A.M. He reminded everyone to turn off or silence all cell phones.

We recited the Pledge of Allegiance.

He then asked Secretary, Jeannie Andrews to read the minutes of the May 17, 2009, meeting.

Two corrections were noted on page 3. Maralene Klein said that Rod Klein didn't volunteer to stain the wood on the bathrooms. Rod Klein was asked and he said he hadn't volunteered, but yes, he would. Kevin then asked that Don Miller's name be added to the THANKS to Katherine Oliver for find-

ing a good price on the pea rock, as he also helped and he's the one who spread it on the roads.

Richard "Harp" Harper, block 7, lot 4 and 5, made a motion to accept the minutes with the corrections. It was seconded by Ray Kanger, block 13, 14A, 15 and 16. Carried.

Kevin welcomed Treasurer, Mary Francis back and she gave the treasurer's report.

Fundraisers \$679.50

Net Income (loss) \$1,568.43.+

A motion was made by Ray Kanger to accept the treasurer's report. Seconded

by Angie Miller, block 4, lots 63-64. Carried.

COMMITTEE REPORTS:

ACTIVITIES:

Maralene Klein reminded everyone that the clubhouse is open Friday nights for games, unless it is rented, starting at 6:30 P.M. Also, there will be a potluck dinner Saturday, June 27, 2009. Bring a covered dish or a dessert. She asked if anyone wanted to continue the Saturday of Labor Day Weekend Carnival as it's a lot of work and does cost \$3-400.00. Discussion.

Old Business:

Ray Kanger had made a motion on May 17, 2009, stating "Motion to have the Board to contact property owners of dead trees, they have 30 days to remove dead trees or the Assoc. will remove the trees and assess the property owner." Discussion. Voted on, it failed.

WOODLAND CHURCH

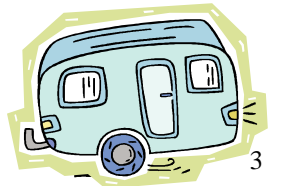

Sunday Service

9:45 A.M.-10:30 A.M

Everyone is welcome!

Grab a chair and come as you are!

Our services are non-denominational and are held in the beautiful new church pavilion just west of the Woodland Country Store. For additional information contact Pastor Maralene Klein @ (712) 431-9965

Old Business continued:

Destruction of Property:

Wanda Duff, block 14, lot 17, asked how old the people were. Kevin said one was mid 20's & 3 were adolescents. Discussion.

Kevin told that the person in block 7 with the salvaged camper on the green space wasn't the owner. A person from Council Bluffs bought it. A day later, he agreed to fix the green. It's been 1 1/2 months, not done. Discussion.

Electrical boxes:

Otis Elkin, block 2, lots 46-49, is working on sanding and stenciling the electrical boxes. It takes awhile, so please be patient.

"Red" Mueller, block 2, lots 50 and 51, put up the sign board at the entrance to welcome everyone to

the park. Kevin would like to put the park hours, the afterhours phone #, and use it for bulletins instead of printing them out.

Thanks, "Red"!

David Bartlett, block 12, lots 28-31, spoke about the electric meters generating revenue. Discussion.

Warning System:

Ed Kemp, block 11, lots 53-56, gave a presentation about an emergency warning system for the campground. It would be so much better than Katharine Oliver or Don Miller driving around the campground, trying to notify neighbors. It would have a manual pull or automatic pull, as needed. He suggested testing it on the first Saturdays of the month. It would cost \$16,500.00 plus taxes. Discussion.

New Business:

Lou Wanda Duff, block 14, lots 16 and 17, made the following motion "I make a motion to install a siren into the campground to be used for any emergency of any kind." Seconded by Ed Kemp.

Beverly Wise, block 14, lots 28-34, made the following motion:

"To place into the rules that any motorized vehicles ran in the park have liability insurance to as eliminate the liability to the Association." Seconded by Carolyn Stender, block 1, lots 84 and 85.

Angie Miller, block 4, lots 63 and 64, asked for volunteers to help her scrub the tables and chairs at the club house. Get with An-

gie if you are willing to help.

The 50/50 drawing was won by Cat Wiley, block 15, lots 125, 126, 128, and 129.

The electric drawing wasn't won by Keith and Elsie Alley, block 15, lots 57-58, as they weren't at the meeting. You need to be present to win; just another reason to come to the monthly meetings!

"Harp" Harper, block 7, lots 4 and 5, made a motion to adjourn the meeting. It was seconded by Mary Redding, block 7, lots 29-31. Meeting adjourned.

Minutes respectfully submitted by Secretary, Jeannie Andrews, block 6, lots 34-36.

Emergency Notification System Proposal

The residents of Woodland Campground have been at risk of not knowing about tornadoes or severe weather since the campground first opened. The destruction and loss of life at the Little Sioux Boy Scout Camp in June of 2008, is a very horrific reminder that disasters can happen anyplace, including our Campground.

An emergency siren notification system was presented at the Association meeting, which was held on

June 14th, 2009. The cost of the proposal is estimated to be \$16,500, which includes the ability to manually set off the siren or have Harrison County trigger it remotely. Comments and concerns of the members ranged from very much in favor, as well as very much against the installation.

One member suggested that everyone should purchase a weather alert radio instead of spending the money on a siren system. Another suggested that the siren system could be used for other emergencies such as notifying the residents that there is a lost child, or that we need to evacuate the campground due to a grass fire.

The point to be made is that currently, the only notification of the 1,500 residents is by the good graces of Katharine, Don, and others that risk their lives to notify the rest of us of severe

weather. We also need to remember that this siren system is not for just us, it is for our children, as well as their children since it should last 30 years, or more.

If the association votes NO for the installation, there is no reason for the park personnel to continue to risk their lives to notify others. It will be up to each of us to purchase and carry weather radios at all times when the weather looks threatening, or simply just not know when disaster is about to strike.

Please vote "**YES**" for the Emergency Siren Notification system at the next association meeting. It is an investment in our well being, not just a purchase of campground equipment.

Submitted by Ed Kemp, Block 11, lots 53-56
