MESSAGE FROM THE PRESIDENT

There was no New Business and there was no Old Business this month. We did have the 50-50 drawing and we gave away a door prize. There was no call to order of the meeting because there were only 18 members attending.

With Mothers day and all the graduations starting there were only 18 people showing up for the meeting. I do understand the way things fell on the calendar this month was unfortunate.

At this time I would like to say Kudos to Rachel Cox for the 21 gun salute which was held at the river by the VFW honoring her father who served in Vietnam. Thank you Rachel!

Unfortunately, with the good comes the bad. I have never been more ashamed being a member of this park than I was at about 2:30 later that afternoon.

What was so disheartening, as I sat on my golf cart out side the clubhouse after the memorial service, was seeing more people going by me saying, “Hey, they have free food in here.” They didn't have a clue for what. I did mention that this was a memorial service to several people. However, all they could do without asking me for who was to turn around and shout to their friend, “Hey, they have free food in here, lets go in and eat.”

This is what our park has turned into. More people stopped in for the free food than the amount of people that came to the Association meeting.

Did Rachel or Ed turn anyone down? No, they did not! Did anyone after they were done eating the free food, that didn't have a clue as to whom the memorial service was for, go to Rachel and say I'm sorry for your loss, and thank you for letting us come to your memorial and dine with you. I doubt it. But remember, it was free food.

Truly a sad afternoon and some will read this and shrug and say so what. But I myself was not raised that way.

NOTE: In no way was this editorial meant for anyone who was invited to the memorial service or anyone who attended for the purpose of support for Rachel's family.

We did have some very important things to discuss this month but now they will have to wait until next month.

Lyn Neely,
President, Woodland Campground

OUR SINCERE CONDOLENCES

We send our deepest condolences to the family and friends of Paula Christensen for the loss of her husband, Daniel. Dan and Paula have been members of Woodland for several years. However, they were active in the Campground activities. Dan also served as President for a short time.

We know that Dan will be missed by many!

We are deeply saddened and grieve your loss.

OUR SINCERE CONDOLENCES

We also send our deepest condolences to the family and friends of Rachel Cox for the loss of her Father, Leon Heilig. Rachel and Ed have been members of Woodland for 10 years and have been very active.

Leon was an honored veteran and served in Vietnam. He was also certified for parachuting.

The above photo is of the twenty-one gun salute held at the river which was part of the memorial service held on May 9, 2015.

We thank Leon for serving! We know that he will be missed by his family and friends.

We are deeply saddened and grieve your loss.

Thought Of The Month

*Life is like a camera....
Focus on what's important,
Capture the good times,
Develop from the negatives,
And if things don't work out,
Take another shot!*

"AROUND THE CAMPFIRE"**RECIPE OF THE MONTH****OSTKAKA
(Swedish Pudding)**

2 eggs	2 quarts milk
1 cup cream	1/2 rennet tablet
1/2 cup flour	1/2 cup sugar
1/4 tsp. salt	

Preheat oven to 400 degrees 'F'

Beat eggs and 1/2 cup cream together, add flour and mix until smooth. Add salt. Heat milk to lukewarm and add mixture.

Soften rennet tablet in a spoonful of water and add to mixture, stirring slowly until evenly mixed. Let stand for 10 minutes then bake in hot oven at 400 degrees 'F' for 30 minutes. Then turn oven down to

350 degrees 'F' and bake for 1 hour. Take out of oven and pour remaining 1/2 cup of cream and sugar over it and bake at 350 degrees 'F' for an additional 20 minutes. As the pudding is formed, the whey, (milky liquid) may threaten to run over, so use a deep pan. Serve with sweetened berries.

TIP OF THE MONTH

It is important to remember to flush your hydrant before connecting your water hose to your camper. After setting for six months your water lines are full of rust. If you do not flush your system, before hooking up to your camper, your water lines will plug up with rust particles.

Then, when you come back each week, that long hose connected to your camper, that has been setting in the sun, or buried in the baking ground for a week, is full of nasty, smelly water waiting to enter your water heater. One more reason you should;

FLUSH YOUR HOSE!!!
